Where possible all charges due from the Recipient will appear on the relevant monthly invoice, but sometimes there may be a delay.

7.5 The Monthly Subscription Charge is detailed in the Welcome Letter:

- (a) Where the Premises falls into the Categories of: Public House, CORCA Club, or Golf Club, TNT shall apply the Rateable Value Pricing Policy to calculate the level of your Monthly Subscription Charges based on the RV of your Premises. These are set out in your Welcome Letter or as notified to you by us from time to time in accordance with Clause 7.6 and Clause 7.7.
- (b) Where the Premises falls into the Categories of: General, Bookmakers, Sports Club (non-Golf) or General Licensed, the Monthly Subscription Charges shall be as set out in your Welcome Letter or as otherwise notified to you by us from time to time in accordance with Clause 7.6 and Clause 7.7.
- (c) Where the Premises falls into the Hotel or General Offshore Category, your Monthly Subscription Charges shall be based on the number of Rooms in your

Premises in accordance with Schedule 3 (*Hotel, General Offshore and SMATV Systems*) and shall be as set out in your Welcome Letter or as otherwise notified to you by us from time to time in accordance with Clause 7.6 and Clause 7.7.

- 7.6 Without prejudice to Clause 7.7, TNT can change the Monthly Subscription Charges, the price bands and/or review its pricing structure (including, for the avoidance of doubt, those applicable under the Rateable Value Pricing Policy) generally at any time. To the extent any such changes affect the charges payable by Recipient, TNT will publish any changes online at <https://www.tntsportsbusiness.co.uk/terms-and-conditions> or any other online address TNT may notify from time to time (or may, at its discretion, notify Recipients individually by email or in writing), as follows:
- (a) for such changes which are material, at least one month before the change is due to take effect; and
 - (b) for all other such changes, at least one day before the change is due to take effect.
- 7.7 Without prejudice to Clause 7.6, TNT may apply an increase to the TNT Sports Standard Rate once per calendar year, in accordance with RPI or lower, the increase date to be at TNT's discretion. The increase is based on changes in RPI over the 12 month period preceding the month during which TNT reviews its TNT Sports Standard Rate (using the latest published RPI). There may be a gap between the date TNT reviews the TNT Sports Standard Rate and the date TNT chooses to implement any increase. In this Agreement "**RPI**" means the Retail Prices Index All Items (or successor index) as published by the Office for National Statistics (or successor agency). For clarity, any increase in the TNT Sports Standard Rate by an amount up to and including the change in RPI over the previous 12 months will be deemed to have been made under this Clause 7.7, not under Clause 7.6.
- 7.8 TNT may refuse the Recipient's request to provide the Service based upon the results of an assessment of the Recipient's credit standing, including (without limitation) by using credit scoring. TNT may also assess the Recipient's credit standing from time to time during the Agreement. TNT shall apply reasonable practices for administering the Recipient's account based on the results of that scoring, including applying different payment terms to the Recipient's account. TNT may use information from, and supply information to, outside agencies for this.
- 7.9 The Recipient must pay by direct debit or BACS transfer. Payment shall only be deemed effective once the full amount of such payment has been received in TNT's account in cleared funds. If you are unable to pay by such methods TNT may, at its discretion, agree to another payment method being used, however such payments may require collection by a third party and in all such circumstances a payment processing fee will be charged as set out in the Additional Charges Rate Card (available from TNT on request). This fee will be deducted from any money received before any payment is allocated against the charges for any Service.

- 7.10 Acceptance by TNT of any payment shall not be deemed to be a waiver of TNT's rights, notwithstanding such phrases as "complete and final payment" or "payment in full" or any such similar phrase accompanying the Recipient's payment.
- 7.11 The Channels available to you are as listed in your Welcome Letter. The Recipient cannot choose individual channels within TNT Sports including Amazon Football separately.
- 7.12 If payment of any charges becomes subject to withholding tax, levy or similar payment obligation imposed by a foreign tax authority on sums due to TNT under the Contract such withholding tax amounts will be borne and paid for by the Recipient in addition to the sums due to TNT. The Recipient will provide TNT without charge the appropriate certificate(s) from the relevant authorities confirming the amount of the withholding taxes, levies or similar payments borne and paid for by the Recipient.

8. Viewing Cards

- 8.1 A Viewing Card shall only be used by the Recipient at the Premises. A Viewing Card will be used only to receive and exhibit the Service at the Premises designated for that Viewing Card. For the avoidance of doubt the Recipient may not use the Viewing Card at any other premises other than the designated Premises.
- 8.2 The Recipient will not part with possession of a Viewing Card. If the Recipient does, or TNT has reasonable grounds to believe that the Recipient has, TNT may (without prejudice to its other rights under this Agreement) invalidate the Recipient's Viewing Card(s) or cause them to be invalidated.
- 8.3 The possession of a Viewing Card shall not entitle the Recipient to receive the Service.
- 8.4 The Recipient will not tamper with a Viewing Card or use or allow it to be used in any way or for any purpose which TNT has not authorised.
- 8.5 In order to receive the Service without interruption the Recipient's Viewing Card must be kept in the Satellite Receiver Box at all times and the Recipient is advised to keep the Recipient's Satellite Receiver Box connected to a mains supply (and suitable satellite dish) and on standby mode while not in use. Neither the Viewing Card, nor the software in the Satellite Receiver Box is not and shall not become the Recipient's property. The Recipient must not tamper with the software or allow anyone else to do so.
- 8.6 The Recipient must Activate the Recipient's Viewing Card(s) within ten (10) days of:
- (a) receipt of the Viewing Card(s) from TNT where TNT have provided the Recipient with new Viewing Card(s); and
 - (b) the date of this Agreement where the Recipient receives or has received Viewing Card(s) from a third party.

If the Recipient fails to do so, TNT may cancel this Agreement and the Recipient will pay the cancellation charges as set out in Clause 17.5 (a).

8.7 From time to time, for security or other reasons, TNT understands that Sky may replace the Recipient's Viewing Card. If the Recipient receives a new Viewing Card from Sky the Recipient must:

(a) check that the new Viewing Card is enabled for the Service; and

(b) inform TNT of the new Viewing Card number,

immediately and provide the details of such replacement Viewing Card(s).

8.8 If the Recipient fails to provide such information to TNT under Clause 8.7 or Clause 8.14 the Service may not be available and may result in the Recipient being unable to exhibit the Service. In the event of any inability to exhibit the Service at any of the Premises, the full charges shall still be payable in accordance with Clause 7 and, notwithstanding Clause 14, TNT shall have no liability for the failure to exhibit the Service.

8.9 The validity of a Viewing Card shall at all times be at TNT's sole discretion. TNT may at any time invalidate Viewing Cards to protect the security of the conditional access system or if TNT believes the Recipient is using or permitting the use of a Viewing Card in an unauthorised manner or for unauthorised purposes or otherwise if it is reasonable to do so. TNT understands that Sky may also invalidate cards in these circumstances. If a Viewing Card is invalidated by TNT or Sky, TNT shall have no liability under this Agreement to provide the Service.

8.10 Additional Viewing Cards are available upon request from TNT which TNT may provide at its sole discretion.

8.11 If a Viewing Card is misused by the Recipient, TNT may invalidate the card with immediate effect, without notice.

Lost, Stolen, Damaged or Malfunctioning Viewing Cards

8.12 If the Recipient's Viewing Card supplied by TNT is lost, stolen, damaged or fails to work the Recipient must immediately notify TNT using the contact details set out in your Welcome Letter or the contact details otherwise notified to the Recipient by TNT. Subject to Clause 8.13, TNT may charge the Recipient for the cost of replacing a Viewing Card that is lost, stolen, damaged, fails to work, or which TNT decides (at TNT's sole discretion) to replace due to the Recipient's failure to take adequate security precautions as set out in Clause 10. TNT will invalidate any Viewing Card that you tell us is lost, stolen, missing, does not work or is replaced.

- 8.13 Where the Viewing Card supplied by TNT is damaged or fails to work, the Recipient must return it to TNT (or as it directs). If the Viewing Card fails to work because of any malfunction which, in TNT's sole opinion, arose because of a defect existing when the Viewing Card was supplied to the Recipient, TNT shall replace the Card free of charge or procure its replacement. If the Card is faulty or damaged or fails to work in any other way and/or the Recipient does not return the Card to TNT, then TNT can charge the Recipient the cost of replacing it.
- 8.14 If a Viewing Card supplied by any third party is lost, stolen, damaged or fails to work, the Recipient must contact the third party to arrange a replacement. You must also advise TNT using the contact details set out in your Welcome Letter to ensure that TNT can activate the Service on your replacement Viewing Card.

9. Change of Law / Intervention by a Regulator

9.1 In the event of:

- (a) any intervention by a competent regulator (or any other government department, body or authority that has regulatory purview overseeing this Agreement) seeking amendment to, addition to or deletion of any provision of this Agreement or annulment or termination of this Agreement; or
- (b) both parties being unable to perform their respective obligations under this Agreement as a result of regulatory or legal action, the judgement of a court of competent jurisdiction or any other competent governmental, regulatory, judicial or administrative authority; or
- (c) any change to any applicable national or international law or a clarification to any such law that either:

- 10.3 The Recipient shall ensure that the Systems are securely located in a locked storage area with limited controlled access. The Recipient shall implement security measures across all components of the System, such that they safeguard the confidentiality, availability and integrity of the Service. The Recipient will provide TNT with full documentation in relation to the implementation of security in relation to delivery of Services and shall ensure that the implementation and management of security of the System:
- (a) reduces the risk of misuse of the Systems and/or Service, which could potentially cause loss of revenue to TNT or loss of Service; and
 - (b) detects any security breaches that occur, enabling quick rectification of any problems that result and identification of the individuals who obtained access to the Systems and determination of how they obtained it.
- 10.4 The Recipient shall report to TNT promptly any potential misuse of the Systems or the Service via the contact details set out in your Welcome Letter.
- 10.5 Upon request, the Recipient shall promptly provide to TNT a written report with details of any security incident, a remedial plan and a timetable for achievement of the planned improvements and steps to be taken to avoid a repeat of the incident. If any audit or investigation reveals that there is a potential risk to the security of the Systems or Service in the Recipient's processes, the Recipient shall promptly correct that security risk.
- 10.6 TNT or our appointed representatives reserve the right to conduct security audits from time to time, on any or all aspects of the Service at the Premises. Subject to TNT providing the Recipient with reasonable notice, the Recipient or its representatives shall provide TNT with, access and assistance as necessary and appropriate to allow such audits to be undertaken. The Recipient will work with TNT to implement any recommendations and carry out any corrective action that TNT deems necessary resulting from the audit within 30 days of being notified by TNT or such period as agreed between the parties. TNT has the right to terminate the Agreement if the Recipient does not carry out such required corrective actions within the timeframes set out in Clause 17.4 (e).

Any installation of Satellite Equipment is at the Recipient's own cost and the Recipient's own liability and risk. Any Installation charges will form part of any up-front payment to TNT.
- 11.2 Some Satellite Receiver Boxes require an internet connection to access additional functionality and/or interactive services. For such Satellite Receiver Boxes, some of the additional functionality and/or interactive services may be wholly or partly unavailable with internet connections below certain speeds.
- 11.3 Where the Recipient does not have a working set of Satellite Equipment, TNT can introduce the Recipient to an Authorised Equipment Installer. At the Recipient's option, the Recipient may choose to contract with the Authorised Equipment Installer for installation of a set of Satellite Equipment. Any contract for the installation is made between the Recipient and the Authorised Equipment Installer, and the Recipient does so at the Recipient's own risk and liability.

By taking the Service, the Recipient agrees that the Recipient's Premises will be included in TNT Sports Pub Finder and that the details of the Recipient's Premises (including the name, address, postcode, phone number and website (where applicable)) may be on our website(s) in order to facilitate such services. SCHEDULE 1
RATEABLE VALUE PRICING POLICY

New policy revised and effective from 15 July 2026, subject to Paragraph 9

1. Subject to Paragraph 9 of this Schedule 1 (New 2026 RV Implementation Terms), the Monthly Subscription Charges are determined by the RV for the Recipient's Premises that came into effect on 1 April 2026. The Recipient's Monthly Subscription Charges will continue to be determined by these rateable value listings until further notice by TNT, unless TNT deems the Recipient's Premise to be in a Category where RV does not determine pricing.
2. The RV for the Recipient's Premises means the rateable value as shown on the non-domestic rating list of the relevant valuation authority / association (for example the Valuation Office Agency (VOA), the Scottish Assessors Association (SAA); or the Valuation of Lands Agency (VLA) (or, in each case, any successor in function thereto)). The RV for the Recipient's Premises can be obtained from the government body responsible for setting rateable values in the Recipient's country of operation. A searchable database of the 2026 rating list for England & Wales can be found online at www.voa.gov.uk and for Scotland at www.saa.gov.uk. A searchable database of the 2026 rating list for Northern Ireland can be found at www.lpsni.gov.uk.
3. It is the Recipient's responsibility to provide TNT with the necessary documentation evidencing the RV of the Recipient's Premises. Until the Recipient does so, TNT reserves the right to deem the RV to be £999,999 and the Recipient's Monthly Subscription Charges will be determined accordingly.
4. If a successful rateable value appeal is made for the Premises, the Recipient must notify TNT (with documentation and other evidence acceptable to TNT) confirming the change. TNT will amend the level of future Monthly Subscription Charges accordingly. In such circumstances TNT will allow the Recipient a credit for the difference between the previous and new Monthly Subscription Charges payable by the Recipient for the Premises. This credit will be made in respect of the shorter of:
 - (a) the period which is from the date from which the lower RV first applies until the date on which TNT receives proper notification from the Recipient of the change in RV; or
 - (b) twelve (12) months.
5. No credit or repayment will be due or made if notification of a decrease in RV is received by TNT after the end of the Agreement.
6. If the RV of the Recipient's Premises increases, the Recipient must notify TNT (with documentation or other evidence acceptable to TNT) confirming the change. When notified by TNT, the Recipient will immediately pay to TNT all additional sums due as a result of an increase in RV from the date on which such increase first applied to the Premises, together with interest on such additional monies at the annual rate of 2% above the base rate of Barclays Bank plc from time to time (compounded monthly).
7. If the RV of the Recipient's Premises increases and the Recipient does not notify TNT with appropriate evidence of the new RV, the Recipient will be liable to pay the difference between the Monthly Subscription Charges due based the Recipient's new RV and those based on the old RV, from the date the new RV came into effect, together with interest thereon.

8. The Recipient consents to TNT confirming and clarifying any information provided by the Recipient to TNT regarding the RV of the Recipient's Premises, with any and all appropriate organisations, bodies and local authorities.
9. **New 2026 RV Implementation Terms.**
 - (i) If you sign up to a new contract or re-contract on or after 15 July 2026, this revised Rateable Value Pricing Policy will be used to determine the TNT Sports Standard Rate applicable to your subscription.
 - (ii) This revised Rateable Value Pricing Policy will apply with effect from 15 July 2026 in determining your TNT Sports Standard Rate.
 - (iii) The TNT Sports Standard Rate, New TNT Sports Rate Card and Monthly Subscription Charges will not include any previous discounts applied unless expressly stated in this Paragraph 9.
10. For the avoidance of doubt, this Schedule replaces any previous agreement, term, or condition regarding the Rateable Value Pricing Policy under your Agreement.

If this is the case, the Authorised Equipment Installer will discuss this with the Recipient and all associated costs before any further work is carried out.

Consents and Permissions

15. The installation of the Satellite Equipment may require that the Recipient obtains certain permissions or consents including but not limited to the consent of local

Missed Installation

20. In the event that the Recipient fails to comply with the terms of this Offer and the Authorised Equipment Installer is not able to access the Premises to carry out the Standard Installation, a missed installation fee may be charged to the Recipient by the Authorised Equipment Installer before they reattempt visiting the Premises to carry out such an installation. For the avoidance of doubt, such matters are to be dealt with between the Recipient and the Authorised Equipment Installer.
